

# Board Member & Homeowner Engagement Redefined

One Platform.  
Many Benefits.

## CONVENIENCE

One app for homeowners to submit payments, architectural requests, work orders, amenity reservations, and guest passes.

## ACCURACY

A single resident directory from your back office to your front gates means better data and lower risk.

## TIME SAVINGS

Processing move-ins and move-outs is a breeze. No manual re-entry, no paper forms.

## FRONTSTEPS | Community

Homeowner delight is at the center of our Community Portal's design.

- Built-in payments for quickly paying assessments online
- Simplified sign-on process with Self-Registration
- Support from a dedicated Resident Engagement team

Board Members have convenient access at their fingertips with the mobile app.

- Review ARCs, work orders, invoices, violations, and more
- Create content, send communications, and upload documents
- Submit votes on mobile to vote on-the-go

Community Managers save time and get to focus on what's most important.

- Respond to resident requests
- Publish events and newsletters
- Create surveys and polls
- Post alerts and communicate with homeowners
